

LIGHTWEIGHT SCRUBBER

1. Light weight
2. Flexible operation
3. The machine can last around 80mins after each charging
4. Wide cleaning range (conventional light smooth floor tile floor, for roots Wood floor, epoxy resin floor, etc.) based on the roughness of the surface to replace the brush to solve cleaning
5. Low noise level around 68dBa

Cleaning width: 430mm	Brush quantity: 2 pcs	Solenoid valve power: 7.5W
Efficiency: 1200m ² /hm	Voltage: 36V	Noise level: around 68dBa
Speed: 5km/h	Working time: 80min	Battery: 10.4mAh
Squeegee width: 450mm	Brush pressure: 8kg	Charge time: 4-6h
Solution tank: 4L	Brush motor power: 200W, (brushless)	Size: 450*360*1200mm
Recovery tank: 6.5L	Vacuum motor power: 150W	Weight: 17kg
